

Client Testimonial

# emma beauclerc

I feel like I have become part of another family training here at EY. Everyone knows your name and the girls in the group fitness classes have become good friends. I initially came to EY to help deal with the loss of my best friend who died at my age. This shocked me and the exercise helped me push through all the rough times I was dealing with.

“Training at EY has made me mentally clear to run my own business and have the energy to raise my 2 little kids.”
